TOWNES, United States District Judge:

On October 12, 2012, this Court issued a Memorandum and Order granting Defendant's request to lift the stay and directing that pro se plaintiff Roger Stroud file his response, if any, to Defendant's pre-motion conference request by November 7, 2012. (Docket No. 34). By letter dated November 2, 2012, Stroud requested an extension due to the effects of Hurricane Sandy. (Docket No. 35). By letter dated December 1, 2012, Stroud filed a notice with the Court of his new address. (Docket No. 36). By letter dated December 4, 2012, Stroud filed another change of address with the Court and indicated that he had, in fact, filed a "response" to Rule 12(b)(6)" on November 17, 2012. (Docket No. 37). The Court has no record of such a filing.

Accordingly, and in light of Stroud's multiple relocations within the prison system, the Court sua sponte grants him until January 11, 2013, to re-file his response. No further extension will be granted.

SO ORDERED.
